

# NORTHERN VALLEY WIND PROJECT OPEN HOUSE

The Northern Valley Wind Project is a proposed wind energy project located ~5 km south of Elk Point and within the counties of Two Hills, St Paul, and Vermillion River.

Please join us to meet the Elemental team and to learn about the proposed project, including our plans moving forward.

**TUESDAY JULY 18, 5 – 8 PM**

Seniors Recreation Centre  
5010 48 Street, Elk Point

Visit our website for more information on the proposed Northern Valley Wind Project and sign up for project updates.
